EXPERIENCE

Research Translator

Lund University

📅 10/2023 - Present   📍 Lund

Lund University in Sweden actively maintains a prestigious reputation for high-quality research and education across a variety of disciplines.

- Translating sensitive interview transcripts encompassing over 100000 words.
- Ensured consistency between the source material and the translated material. Increased team productivity by 25% within one month due to translated material.

VFX Designer

Generalao Tech AB

📅 10/2023 - 12/2023   📍 Malmö

Generalo Tech AB, a consulting firm, excels in working closely with clients to deliver tailored, expert solutions.

- Conceptualized and designed 5 visual identity projects ranging from PowerPoint presentations to business logos.
- Worked iteratively with the client to refine concepts and produce a working product. Delivered the product within 48 hours of order.

Primary Teacher | Music

Sorgenfriskolan

📅 09/2019 - 08/2023   📍 Malmö

Sorgenfriskolan in Malmö is a historic F-9 school known for its inclusive, sports-focused education in a nurturing environment.

- Increased pass rate by 30% (to 100%) on standardized tests in music studies for ages 8-11.
- Achieved a high parental involvement in the curriculum.
- Responsible for managing class students aged 8-11.
- Created a programming group with a 25% higher involvement compared to other groups.

Camp Counselor

Malmö Sommargårdar

📅 2016 - 2020   📍 Höllviken

Malmö Sommargårdar is a foundation that organizes summer camps and offers cottages for schools and associations, providing enriching outdoor experiences in Malmö.

- Camp counselor to children aged 6- 11.
- Supervised groups of 24 kids aged 7-10 years old for roughly 14 days at a time.
- Received the title of the best camp counselor of "Gula Stugan" for 2016 | 2017 | 2019.
- Held activities for group upwards of 100 participants.

Substitute Teacher

Vikariebanken | Grundskoleförvaltningen Malmö

📅 2016 - 2019   📍 Malmö

"VikarieBanken," managed by Malmö's Grundskoleförvaltningen, is a digital system for efficiently coordinating substitute teachers across the city's schools

- Educated primary and secondary school with an average student count of 25.
- Acclimatized quickly to new groups of teachers and students due to swapping schools almost daily.

Salesman

ÖRESUNDSLINJEN | Scandlines

📅 2013 - 2016   📍 Helsingör

"Öresundslinjen is a renowned ferry service that connects Denmark and Sweden across the scenic Öresund Strait, offering convenient and picturesque travel options between the two countries.

- I worked as a salesman for a total 13 months during summer seasons.
- Communicated with ferries to gauge the amount of cars that could fit the ship.
- Sold tickets in multiple different languages such as Swedish, English and Danish.
- Learned how to communicate with customers in a respectful and professional manner.

SKILLS

Algorithms   Java   Office365   Data Structures

SQL   Python   Windows   Linux   C

Object-Oriented Programming   JavaFx

Requirement-Analysis   UML   Git   GitHub

ACHIEVEMENTS

✓ **Programming | I created the best application of any Term 1 students in my programme's history**

The program's history recognized my 'Viking Express' JavaFX App as the most detailed and comprehensive to date."

✓ **Teaching | My students achieved a 100% criteria fulfillment during my time as a teacher.**

It was the first time a teacher achieved this at Sorgenfriskolan

✓ **Modelling | Offered the position to be the first ever teaching assistant for the UML modelling sub-course**

My detailed models in the sub-course 'System Analysis and Modeling' led to an invitation to become a teaching assistant for new students in the upcoming semester.

✓ **VFX Design | Created and an appreciated product for my customer.**

Received high praise from the clients for the product I delivered.

✓ **Research Translation | Selected among 100 other candidates for the position due to past academic achievements and campus-presence**

I was hand-picked for the position which makes me proud.
